

Kilburn News

JUNE / JULY 2021

KILBURN PARISH COUNCIL

A vibrant poster for the Kilburn, Denby & Horsley Carnival. The background is dark blue with a radial pattern. At the top, there's a banner with the text 'Kilburn, Denby & Horsley' and a small illustration of a bridge. Below this, the title 'KILBURN, DENBY AND HORSLEY CARNIVAL' is written in large, bold, white letters. A red and white striped tent is in the center. To the right of the tent, a red starburst contains ticket prices: 'Adults - £2', 'Children - £1', and 'Family of 4 - £5'. Below the tent, the date and time 'AUGUST 7th 2021 10am-5pm' are written in white, followed by 'KILBURN WELFARE' in bold white letters. Below that, it says 'ENTRY BY WRISTBAND, AVAILABLE TO BUY ONLINE OR AT VANITY HAIR AND BEAUTY SALON' in red. At the bottom, contact information is provided: 'Facebook /KDHCarnival Email KilburnCarnival@outlook.com'. The very bottom line reads 'PROUDLY SPONSORED BY: LUBRIZOL, COXBENCH HALL, VANITY HAIR & SLIDES'N'RIDES'. The entire poster is decorated with colorful confetti and bunting.

Kilburn Parish Council

Following the resignation of Cllr Matthew Rowe, Kelly Parker was recently co-opted onto the Parish Council. Kelly has already volunteered to take on a number of roles within the Council and will be a great asset.

Cllr Peter Rowley has recently tendered his resignation. Peter has been an active Member for many years and will be sorely missed. Our thanks go to Peter for all the years he has served the Parish. There is now a vacancy on the Parish Council and enquiries should go to the Clerk (kilburnparishcouncil@gmail.com).

At the May meeting of the Parish Council, Cllr David Hall was re-elected as Chair and Cllr David Earnshaw re-elected as Vice Chair.

Also at the May meeting several Members volunteered to serve on the KCA committee. Members considered that as the Parish Council is a Trustee of the KCA it was felt it had a duty to assist in whatever way it can to ensure the continuation of the Community Association.

The Parish Council has also agreed to make a donation of £200 in support of the Kilburn, Horsley & Denby Carnival.

The Parish Council has received a request from Kilburn Social Club, Chapel Street. They are finding lots of 'fly tipping' on their land as well as their waste bins being filled with residents waste. The Social Club have to pay for these services, therefore, we would ask that this area is not used for such purposes. Anybody found to be fly tipping will be reported to the Borough Council who may impose a fine.

The Council will be returning to face-to-face meetings as from 14th June. These will be held in the Village Hall on the 2nd Monday/month commencing at 7pm. Due to Covid restrictions numbers may be limited – therefore it may be a good idea to contact the Clerk if you would like to attend.

You may have noticed the work being carried out on the nature reserve at Rawson Green thanks to a Grant from Derbyshire Environmental Trust. The first phase of work is nearing completion (in fact it may be complete by the time this edition is published). The Parish Council would love to hear your comments about the work – these can be made via the Parish Council website or to the Clerk). Families of the memorial trees which have been identified and saved (unless classed as dangerous from the tree survey) would be welcome to attend with a member of the Council in order to identify their tree. The Parish Council is currently seeking additional funding for further work to be undertaken

The Garden competition will take place this year, please see the noticeboards for details of prizes. Judging will take place towards the end of July.

Once again our thanks go to residents who have undertaken litter picking around Kilburn – we really appreciate their efforts. A community litter pick will take place on Saturday 26th June. Notices are on the Parish noticeboards, however, volunteers to meet in Church Street car park at 11am.

The Parish Council is extremely concerned about speeding traffic, especially in the Ryknield Rd & Woodhouse Rd areas. Speedwatch has recently been reinstated and following a campaign on

Woodhouse Rd 145 vehicles were checked of which 27 vehicles were found to be exceeding the speed limit. The results of the speedwatch campaign are reported to the police. The Parish Council will continue to pursue the problem with Derbyshire County Council and the Police.

Council Details

- Cllr D Hall (Chairman) – 01332 881492
- Cllr D Earnshaw (Vice Chairman) - 07967 550158
- Cllr D Beadell - 07514 956142
- Cllr K Parker—07877356262
- Cllr E Hetherington – 01332 881354
- Cllr C Riley - 07889 980195
- Cllr B Lambert -
- Cllr K McDonald - 07920 802808
- Cllr T Bailey—07900616968
- Ms S Matthews (Parish Clerk) – 01332 671513 or email: kilburnparishcouncil@gmail.com

The Parish Council would like to hear your comments with regard to the Kilburn News - do you think the Newsletter is too large, do you think it should be reduced in size?

Are there any improvements you think should be made.
Please send your comments to kilburnparishcouncil@gmail.com

Hello,

I am Trevor Ainsworth, I have been the Borough councillor for around 6 years now for this area, I have recently been elected to represent the Horsley Division at Derbyshire County Council.

Your ward is part of that larger division, previously you were represented by Cllr Kevin Buttery. I have worked with Kevin for the past six years representing this area and I would like to thank him for all his efforts to improve the lives and solving the problems of the residents of this Division.

As we start to enjoy a little more freedom, let us not forget that Covid 19 is still with us, we have better protection due to the vaccination programme, sadly covid is still very much something we need to consider whilst we are out and about each day.

Starting school is a very big step in every child's life, so I am pleased that of those parents applying for a reception place, 94.6% of them were offered their first-choice school and 98.2% were offered their second choice.

As we all try to do our bit for the environment, International Compost Awareness Week has really helped to dispel some myths about how composting works and what you can put in your composting bin. Vacuum dust and hair is definitely something I hadn't previously considered!

Derbyshire County Council is running an online competition, with the prize being a new compost bin. Deadline date is 21st May. The question is "About what % of waste in your bin could be composted?"

Answers by email to recycling.competitions@derbyshire.gov.uk

Three people have recently been issued with fines totalling over £2,500 for unlawful disposal of waste. Just a reminder, it is the resident who bears the responsibility for waste disposal. So if you are paying someone to get rid of your rubbish, please check that they have a valid waste carrier's licence and obtain a receipt, which shows their details.

If there is an issue I can help you with, please ring me on
07970741787 or e-mail
trevor.ainsworth@derbyshire.gov.uk

Village Notices

Chatterbox Café

The team are considering opening again in July this year. Please watch for notices at the Village Hall and Parish Notice Boards.

We may well be short of helpers to start up again and initially the format will be slightly different to how it used to be, in order for the team and customers to stay safe.

If you think you could help for about 3 hours on some Friday mornings, please let us know.

Parish Council Vacancy

Since the May meeting of Kilburn Parish Council, a vacancy has come up for a forward thinking member of the parish to join us as a Parish Councillor. Interested parties are asked to contact the clerk via email kilburnparishcouncil@gmail.com for more info.

Village Speed Awareness Signs

Parishioners may be aware that the speed awareness signs which were designed by students from Kilburn Junior School and placed strategically around the village have been removed by Derbyshire County Council. The reason for this is claimed to be a "breach of license" and for this reason, Kilburn Parish Council would like to hear from any resident who would be kind enough to display one of the signs on the boundary to their property. By displaying a sign on the boundary of private property, this means that the County Council cannot remove them as they are not placed on the highway. Please contact the Clerk for more information or if you wish to display a sign.

Kilburn & Denby Community Speed Watch Group

The local Kilburn & Denby CSW group are currently recruiting for volunteers to help at speed check sites across the area. Fully training and equipment is provided. For more information, please contact Cllr Dan Beadell via email KilburnNHW@outlook.com or contact the Clerk

Neighbourhood Watch Update

The team at Kilburn & Denby Neighbourhood Watch hope that you have been keeping safe and well during the recent lockdown in response to the coronavirus pandemic.

With many more of us working from home, inevitably crime is on the increase and unfortunately in our local area we have seen a number of thefts and incidents crop up. Incidents of note from the past two months would be the theft of catalytic convertors and an attempted break in through an upstairs window.

It is of vital importance that residents remain vigilant and make good use of the police 101 telephone number (which is now free!!) to report non-emergency incidents and also the use of the 999 number if a crime is currently in progress, a suspicious incident is taking place or life is in danger.

We have also provided some basic crime prevention advice below to protect you and your property from these recent types of crime:

Catalytic convertor crime

1. Park to prevent access underneath your vehicle.
2. Mark catalytic convertors with a serial number.
3. Ask a garage to weld the bolts shut.
4. Invest in CCTV cameras
5. Park in well-lit areas
6. Install a car alarm

Home Security

Many of us worry about becoming the victim of a crime or scam while we're at home. But by taking a few simple, and often inexpensive, precautions, you can minimise your risk of being targeted by burglars or scammers.

How can I make my doors and windows more secure?

To prevent burglars from entering your home, fit your front door with the following:

- An automatic rim latch lock (also called a nightlatch).
- A five-lever mortice deadlock with Kitemark BS 3621.
- A letter box cage to prevent thieves tampering with locks through the letter box.
- A door peep-hole to check who is outside before deciding whether to open the door to them.
- A door chain can help you screen doorstep callers, but avoid leaving it on all day because this can stop family, carers or emergency services getting into your home if they need to.

You could also fit your back door with the following:

- A five-lever mortice deadlock.
- A security mortice lock and mortice bolt, if you have French doors.
- Locks to patio doors.

Fit window locks with keys to all downstairs windows and any others that are easy to reach, such as those above a flat roof or near a drain pipe. Get doors and bolts fitted by a qualified locksmith — you can check if they're a member of the Master Locksmith Association.

Should I install a home security device?

There are security devices available that can provide additional home security.

Outdoor lighting acts as a deterrent and makes it easier to find your way if you're coming or going after dark. You can install a low-level light that automatically switches on from dusk until dawn, or you can get a light that switches on when it senses movement outside your home.

Visible burglar alarms will deter burglars and warn you of an intruder.

If you're considering installing a burglar alarm:

- ask the Safer Neighbourhood team at your nearest police station for advice
- get at least three quotes and specialist advice from alarm companies
- ask your insurance company which alarm companies it recommends
- get professional help to install the alarm. There are schemes all over the UK offering home security services.

Some home insurance companies will lower your premium if you have additional security devices installed.

How can I boost security around my home?

It's important to secure any garages, sheds and passageways outside your home.

- Garages and sheds are often full of expensive tools, some of which a burglar could use to break into your home. Make sure that garage doors are solid and fitted with good locks. Always keep garage windows and doors locked, particularly if your garage is attached to your house with a door leading inside.
- Deter thieves from getting into your garden by putting up a strong fence or planting a prickly hedge.
- Padlock the side gate, which should be strong enough to withstand a strong kick.
- Consider gravel driveways and paths, which can make it harder for burglars to approach silently.

How can I protect my valuables?

Think about marking your possessions with your postcode and the number of your house or flat. This deters burglars because it makes stolen property harder to sell. If your valuables are stolen, the police are more likely to find them if they are marked.

You can register your valuable possessions online for free on the Immobilise Property Register. This website helps police identify owners of lost or stolen property.

Ask your local Neighbourhood Watch or the Safer Neighbourhood team at your local police station for help with marking possessions.

As always, if you become a victim of crime, would like the support of our team or would like to support our work, you can follow us on Facebook by searching 'Kilburn & Denby Neighbourhood Watch' or you can email us at KilburnNHW@outlook.com.

Let's Keep Our Beautiful Area Litter Free

It began in a local Labour Party meeting. We were discussing our fears about the impact of climate change and someone said "Yes, big changes are needed, but what can we do locally?"

We talked about green spaces, upcycling, recycling and waste.
And about keeping our beautiful area litter free.

Hopefully setting a good example, we started fortnightly Litter Picking in the areas where our Labour Branch covers—Kilburn, Denby, Holbrook, Horsley, Horsley Woodhouse and Shipley Park, and we were shocked.

Over 6 occasions we filled 60 bags (30 from Kilburn), finding dog mess in plastic bags everywhere (the mess degrades quicker than the bags), empty beer and spirits bottles and every kind of household rubbish. We've found bits of cars, an empty fire extinguisher, you name it, we bagged it.

I contacted Cllr Buttery who was very helpful. He advised contacting the senior officer for Amber Valley (DS) who supplied us with Council Labelled bags, but also told us where to leave the bags so his team could pick them up.

The good people of the area have stepped up. Although a Labour initiative, alongside with other initiatives, we found that every fortnight new people saw what we were doing and said "Can I Join?" Mostly non-Labour people, we've gone from a regular 5 to a regular 12.

The worst places have been parks, speeding car rat runs and near shops, including chip shops, but shop keepers also tidy around their area.

We plan to keep on doing this and will help out on 5th/6th June during Keep Britain Tidy weekend.

Please get in touch to help us out.

Keith Venables, Chair, Kilburn and District Labour Party.

Kilburn Junior School News

info@kilburn-jun.derbyshire.sch.uk

www.kilburnjunior.school

It has been lovely to welcome the boys and girls back to school since the last lockdown was lifted and it has been wonderful to feel a sense of normality returning to school.

School Premises Development

Over past few weeks we have been developing our school site with a new state-of-the-art reception area, automated security gates and additional parking. Work is now about to commence on a brand new classroom which will ensure our facilities at school are second to none.

If you would like your child to be part of the Kilburn Junior School Team, please give us a call and arrange a look around.

We are incredibly proud of our facilities and what we offer our pupils and would love to share this with you as we aim to be a 'stand out school at the heart of the community.'

Our INSPIRE Curriculum continues to do exactly that as can be seen below.

Lower School Ancient Egyptians

During the Lower School's study of Ancient Egypt, the children built pyramids on the school field in Trailblazer and used the ancient techniques to mummify some mackerel, carefully dissecting them, salting them and bandaging them in linen cloth before placing them in their tomb within the pyramids.

In the dead of night, we even encountered a tomb raider as a cheeky fox, sniffed out a mackerel, dug it up and took it for its supper.

It has been an exciting topic in the Lower School and concluded with an Ancient Egyptian day when the children dressed up as pharaohs, princesses, gods slaves and even a camel and a pyramid what a brilliant effort to conclude our topic!

Viking Song

As part of our Viking topic in the Upper School, the children in Team Endeavour learnt and covered the song 'My Mother Told Me' by Rachel Hardy. The children learnt how to sing in rounds, how to use dynamics to create mood and how to sing as part of a group! They then performed this at our Viking Ceremony. After the release of our Viking video, Rachel Hardy got in touch with us!

Rachel Hardy sent you a message.

OH MY GOODNESS! That is AMAZING!!! What an incredible production and such an amazing job by the kids!! I'm absolutely blown away, that was beautiful. Thank you so so much for sharing! Can I re-share this video?

Dr Janina Ramirez
@DrJaninaRamirez

I can't get over this?!? It's incredible!!! The detail, the shots, the wonderful children. It's so special and I can't believe my little book helped inspire such creativity!! Thank you @kilburnjuniors. Alva would love this xxxx Do watch the video!!!

The Viking ceremony proved a huge hit at school and caused quite a stir too over twitter. The occasion was based around a book studied by the boys and girls called The Riddle of the Runes by Janina Ramirez.

kilburnjuniorschool @kilburnjuniors · 6h
@DrJaninaRamirez We have been reading the brilliant Riddle of the Runes with the children and it has inspired us to perform our own Viking funeral! Do you think Alva and Magnus would approve?...

Please take a look at our school website for details of the above or visit our school YouTube channel but be prepared to be amazed. <https://youtu.be/9g8gNO6RtKk>

Paceball

The boys and girls in year 5 and 6 have recently been introduced to an exciting and challenging new sport called Paceball!

We were lucky enough to welcome one of its creators, Richard Smith, from paceball.co.uk into school to show the children how to play this fast-paced team sport.

KDH CARNIVAL PRESENT OUR

COMPETITION!

PRIZES TO BE WON!

24th July-8th August

Wudhus News – Keeping the Villages Updated

Community Pride

Students from Broomfield College planted up the grass verge on the corner by the Arthur Medical Centre with box hedges and lavender in the shape of a Spitfire plane on Friday 7th May. This sits alongside a bench and flower planter to help make the entrance to Horsley Woodhouse welcoming. This isn't the first time the students have supported the village; they designed and landscaped the verge on the opposite side to the Doctors a couple of years ago. A big thank you to all involved.

Community Clean Up

Horsley Woodhouse Community Association (HWCA) and Horsley Woodhouse Parish Council (HWPC) are organising a community litter pick, with the support of a grant from Derbyshire County Council Community Leadership Fund.

Join us for a village clean up weekend as part of the Keep Britain Tidy 'Great British Spring Clean' campaign across May and June. Gloves, litter pickers and bag holders will be supplied. **Meet at 11.00 on Saturday 5th June at the Co-op on Main Street and on Sunday 6th June at 11.00 at Sitwell Recreation Ground.**
