### Village CCTV Proposals

Kilburn Parish Council are currently giving consideration to installing CCTV cameras around the parish to assist in the reduction of crime and antisocial behaviour. We are currently looking for feedback from residents as to whether this would be a positive step and where residents would suggest locating the cameras. Please contact the Clerk via the parish council website with your suggestions.

### Dog Waste Bags!

The Parish Council installed dog poo bag holders around the village earlier this year in an effort to stop dog fouling on our footpaths. They have since discovered that the facilities have been abused with a years supply of bags being used in a matter of months. The parish council will have no alternative but to stop filling the holders if this continues and anybody who sees dog walkers abusing the facilities is asked to contact the Clerk via the Parish Council website.

## AFC Kilburn Football Club

Currently, we have two senior teams playing in the Central Midlands League and two junior sides (under 15yo & under 14yo) playing in the Derby City League.

Over the last 2 years we have spent all our income on updating our facilities here at AFC Kilburn and we pride ourselves in the progress we have made on and off the field in that time.

We are currently looking for volunteers, for either match day or for committee duties to help move the club forward to the next level.

We would also welcome any senior or junior football players who think they are able to play at this level.

If anyone would like to contact us regarding the above, then we would be only too pleased to introduce them to AFC Kilburn FC.

Jeff Baldwin– Chairman 07867123584

## Christmas Carol Service

Many thanks to everybody that turned out for the Annual Christmas Carol Service and Lights Switch on at Kilburn Primary School. This was well attended and special thanks should also go to Cllr Hall for the hard work he put in to making sure the new Christmas light was up and working in time for the switch on!

## Defibrillator Update

Plans are in place to fit the 3 remaining defibrillator cabinets in the village by January 2018 outside Metro Stores, Rawson Green and Elm Tree Avenue adjacent to Field Court.

Please could we ask residents to keep an eye on these as we have already experienced 2 separate acts of vandalism on the defibrillator on Highfield Road.

## Neighbourhood Watch Update

With a sudden increase in antisocial behaviour in Kilburn over recent months, we are offering the following information to local residents;

Anti-social behaviour covers a wide range of unacceptable activity that causes harm to an individual, to their community or to their environment. This could be an action by someone else that leaves you feeling alarmed, harassed or distressed. It also includes fear of crime or concern for public safety, public disorder or public nuisance.

The police, local authorities and other community safety partner agencies, such as Fire & Rescue and social housing landlords, all have a responsibility to deal with anti-social behaviour and to help people who are suffering from it.

If you are experiencing problems with anti-social behaviour, or have any concerns about it, or other community safety issues, you should contact your local council or call the non-emergency number, 101. In an emergency, call 999.
