FEBRUARY/MARCH 2019

KILBURN PARISH COUNCIL

War Memorial Refurbishment

The Parish Council originally began to consider the refurbishment of the war memorial over 5 years ago. Several applications were put to the War Memorial Trust, however, in May 2018 the WMT again put forward reasons why they could not give a grant and made further suggestions. It was at this point that Members of the Parish Council decided that the refurbishment should be funded from reserved funds held by the Council. These reserved funds were in the main monies that were held following the sale of a plot of land at Northfield. However, the Council took on the suggestions made by the WMT and employed an accredited architect to oversee the project. The architect for the project worked with the council to ensure that all of the WMT requirements were met and that also the ascetics were right for such an important monument to the village.

Eventually, the project was completed ahead of schedule and under budget. We know that many of the parishioners were interested to see that it was finished for Memorial Sunday. The final costs for the project will be approximately £31,000.

The wreath holders are still to be fixed and also the Winifred Wassell plaque is to be replaced so that it is keeping with the whole of the memorial.

A re-dedication of the memorial was held Tuesday 29th January by the (Acting) Bishop of Derby and parishioners were welcome to attend. Refreshments were served after in Kilburn Welfare.

Memorial Sunday

As the world stopped on Sunday 11th November to remember all of those people who have fallen over the many battles, Kilburn turned out in their 100's to remember the centenary year. With the war memorial refurbishment finished in time. It was a fitting tribute to our fallen heroes where we could remember them. The laying of wreaths by Politicians, Parish Council and local groups as the Last Post played a silence was heard all around Kilburn for this touching tribute. With prayers led by Andrew and Martin from Horsley St Clements a large turnout then moved onto the Kilburn Baptist Church for a moment of prayer and remembrance. Small crosses with the names of the Kilburn fallen were laid by the children onto the monument and can now still be seen at the memorial. Silhouettes of the fallen were placed on seats within the Baptist chapel as a tribute to remember those who lost their lives for us all of those years ago. The finishing touches were drinks hosted by Graham and his team at the Baptist Church. Our thanks go out to Kilburn Scouts & Brownies and all who helped making the day's service a success.

This year also saw the return of the poppies around the village. All of the 70 poppies were installed to line the route of the parade and with the spares from the previous year they were installed on the bus route around Kilburn.

Kilburn Parish Neighbourhood Watch

Police & Crime Commissioner Coming to Kilburn

Following from discussions at the Parish Council Meetings, we have been able to secure the Police & Crime Commissioner to attend the Parish Council Meeting on the 12th March 2019.

At the meeting questions are to be put to the PCC to discuss how we can get better policing for the local area.

Any parishioners wishing to attend, the meeting will start at 7pm in the Village Hall.

We hope to see as many people there as possible as this is the chance to put your questions to the PCC.

We hope to see you all there.

Neighbourhood Watch News

As many people are feeling unsafe you can call 101 and ask Belper Neighbourhood team for advice and they will make arrangements to visit. You can also ask to speak to PCSO Paula Bennett if available and she will be happy to give advice. Remember any crime big or small needs reporting to the police on 101.

PCSO Paula Bennett requires volunteers for Speed Watch in Kilburn, training will be provided, get in touch to make our village a safer place.

During January, the Kilburn Neighbourhood watch team have been out in the village wearing their high visibility jackets ensuring everything is in order.

Neighbourhood watch also have a number of smart water vouchers available at £15 per pack. You can contact Kilburn NHW if you are interested on Facebook.

You can follow Kilburn & Denby Neighbourhood watch on Facebook to find out the latest important information across the area.

Reporting Issues

Did you know in the last year Kilburn parish council have provided 18,400 'Dog Waste Bags' free of charge for use to keep the village clean in the last year alone.

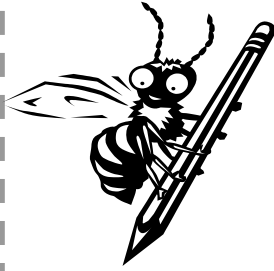

Reporting of Potholes, Street Lights & Pavements can all be done online.

Type into Google Derbyshire Do it now and report your request. Alternately contact the Parish Council Clerk and we will be able to report the issue on your behalf.

Kilburn Infants News..

We had a very busy but enjoyable Autumn term in school!

All of the Infant children took part in 'Memorable Experiences' in their classes as part of their half-termly learning themes, including a visit to Warwick Castle, 'Superhero Olympics' a balloon release, a 'Carnival Day', a 'Pyjama Party', a 'Big Build Day', and Nursery held a family 'Dog Walk'!

Infant children also took part in the National Film Festival, and we went to the Quad Cinema to watch 'Mary & the Witch's Flower'.

For the Autumn children learnt about Diwali, Hanukkah, Remembrance Day, and Christmas, and 'Christians in Derbyshire Schools' came to lead assemblies with us. We also thought about communities and helping others by taking part in activities for 'Children in Need', 'Jeans for Genes', 'Save the Children Christmas Jumper Day', and by making a Harvest collection for the 'Padley Centre for the Homeless'.

**WE ARE
MACMILLAN.
CANCER SUPPORT**

Our School Council theme this term was 'Re-cycling' which included litter-picking around the school grounds! Class 3 children also went to the Junior School for their 'MacMillan Coffee Morning'.

The new climbing equipment was installed in September in our main playground, jointly funded by

the 'National Lottery' the 'Gemma Brown Fund', and the 'Village Quiz Night' kindly donated

£120 to school which we will be using for on-going playground improvements.

Kilburn Infants News..

We continued fundraising for 'extras' for the children and school with a Christmas Fair, 'Movie Nights' and a Halloween Disco

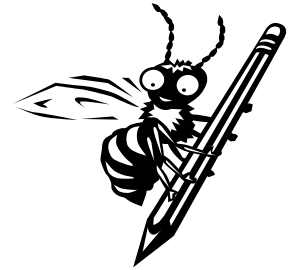

For Parents and Carers we held a 'School Open Morning', Parents Evenings, meetings, and a 'Celebration Assembly'.

We finished a very busy term with Nursery and Infant Christmas Shows, the Parish Council Service & Christmas Lights switch-on, a 'Kilburn's Got Xmas Talent Show' for Infants, and Christmas lunch and parties, with a very special visitor in a red suit!!

On behalf of the school I would like to pass on our thanks for everyone's continued support throughout 2018!

Joanne Baillie

Head teacher

Wudhus News

Keeping the villages connected....

Report from the December & January Parish Council meetings:

December

- A presentation board is to be fixed to the Millennium Wall in the next few days.
- Broomfield students have designed planting schemes for the land opposite the Doctors, members of the Council will visit Broomfield to choose which design is most appropriate. The students will then plant up the area in the spring.
- Futures Homes have confirmed that they do not want the residents to park outside the garages on the corner of Fairfield Road, as the garages are currently being assessed for their future use.
- CHRISTMAS VIEW FROM A PAVEMENT COMPETITION

Judging will take place on Friday 21st December at 6.30pm, two prizes were given.

January

- Amber Valley BC to sweep the pavement from 15a Church Lane towards Stainsby Avenue.
- Land Opposite the Doctors – Planting Scheme. The Broomfield students have produced a planting scheme for the land opposite the Doctors which will be planted by them in the spring.
- Budget – Members agreed the budget for 2019/2020 and the precept will be set at £29,800.00.

Kilburn Juniors News...

The children have made a very positive start to the new term in school and this term promises to be just as exciting as the previous one, with interesting lessons, activities and extra-curricular sessions planned for pupils.

The number of pupils on role at school is now the highest it has been for many years, increasing by 37 in the last eighteen months.

We are wonderful school with a dedicated, hardworking team of staff, supportive parents and most importantly, delightful pupils. Our facilities, I feel, are second to none, enabling us to offer an experience for pupils that is both engaging, stimulating and vibrant.

We are always looking for additional support in school, so if you would like to volunteer to come in and support our pupils, whether it be listening to readers or helping in our outdoor 'Trailblazer' sessions in the wood, please contact the school office.

Embark Multi-Academy Trust

As a school, we officially converted to an academy on 1st January, as a founder member of the Embark Federation Multi-Academy Trust.

We are now part of a growing number of academies that are helping to improve educational standards for children and young people.

The new trust is part of a group of strong schools that includes two national support schools, and by working collaboratively we feel this will only enhance the opportunities, experiences and education for all pupils within the trust. Please visit embarkfederation.com for more details.

YOU22

You may have heard recently, the Secretary of State for Education, Damian Hinds, talking about the holistic development of children being as important as some of their academic achievements. This is something we have felt strongly about for a while. To this end, we have devised a new approach called the YOU22, to encourage children to reflect on 22 desirable attributes. For example: showing perseverance when completing a task or being collaborative when working in a group.

Our reward system will celebrate the successes in these areas and will form part of our special Friday Achievement Assembly.

Kilburn Juniors News...

PTFA News

The PTFA Christmas shopping event proved a huge success again for the school and local community. Thank you again for coming along to support it.

The event certainly helped kick-start Christmas in school and raised a staggering £1393.

The next major fundraising event the PTFA are organising will be the **Kilburn Kilometres Fun Run on Sunday March 17th**.

This is the first time we have organised an event of this type and we hope it will appeal to runners and walkers of all ages and abilities. The event will be split into two, with a 10k and 3k around the local roads, paths and fields, so there will be something suitable for the everyone.

Participants can register on the morning but we would like to encourage people to visit our website: kilburnkilometres.co.uk to register beforehand. More details will follow nearer the event. But why not start training now?

Academic Year Term Dates:

These are the term dates for this academic year:

7th January 2019 to 15th February 2019

25th February 2019 to 12th April 2019

29th April 2019 to 24th May 2019

3rd June 2019 to 22nd July 2019

Specialist Leader of Education

I would like to congratulate one of our teachers, Mr Goodburn, on becoming a designated Specialist Leader of Education for his knowledge and skills in the delivery of outdoor learning.

Mr Goodburn established our Trailblazer Programme to help develop skills that promote children's holistic development, through supporting them to explore and work in an outdoor setting. Many schools are looking to develop a similar programme, recognising the positive impact this has on child development and it is hoped Mr Goodburn will be able to support and guide them in this process.

Councillor Kevin BATTERY – Keeping you Updated

Amber Valley
Borough Council's
Garden Waste
Service will
commence from
Monday 25
February 2019

and finish on Friday 29 November 2019. The service will remain at last year's price of £40. New customers who wish to receive the service will need to purchase a bin, unless they already own one, which costs an extra £20, which will be delivered to your property. In the last 5 years residents have helped the Council collect over 21,000 tonnes of garden waste. The waste collected is turned into compost which is then re-used instead of being disposed of in a landfill site, which benefits the environment. Thank you for supporting this service. If you wish to subscribe to the Garden Waste Service, payment can be completed online, or by calling 01773 841440 or by making payment at the Ripley Town Centre Office.

Fly-tipping continues to blight communities and costs the Council tens of thousands of pounds to clean up. Even if the Council cannot prove who actually physically fly-tipped an item, they can prosecute for breach of Duty of Care under the Environmental Protection Act. What we are seeing at the moment is Fridge-Freezers being left outside houses, hoping the scrap dealer will come along and remove them. As they contain CFC gases, some dealers are cutting out the metal of interest, then disposing of the fridge freezer illegally. Please note that,

as the householder, you remain fully responsible for the disposal of any waste and could be prosecuted if it ends up being fly-tipped. Also, fridge freezers can be disposed of, legally, at Loscoe Re-cycling Centre. Make sure you obtain a waste transfer note and receipt of payment when you ask someone to dispose of waste on your behalf, otherwise you could end up facing a hefty fine.

The Borough Council has recently added three new small sweepers to the fleet of cleaning machines patrolling around the Borough. They are fitted with tracker systems, which enables the council to monitor which areas have been swept. The sweeper crews work on a shift cycle that also allows them to operate 7 days a week. Please let me know if there any particular problem areas.

This year saw the Council extend free Christmas parking over a two-week period. This was free to everyone after 1pm, to encourage more visits to shops in our Town Centres, in support of local businesses. I am interested in your views as to whether the Council should continue with this, or revert back to a shorter period, free all day just for Amber Valley residents.

A big thank you to all those who took part in the Library consultation, with over Derbyshire 7,000 residents responding. New plans, which have now been agreed, will see 20 out of 45 Libraries being transferred to communities. No Libraries will close. A total of £724,000 has been allocated to

ensure smooth transition to community management, but the Council is still looking to have achieved £1.6m worth of savings by 2021.

Low temperatures and consistent rain does have a significant impact upon our roads. Pothole repair still remains a challenge for our Highways Department. Whilst the Council try to fix potholes within a couple of days, this can extend from anything between 5 and 28 days, dependent upon severity and workload. So far this year Council Staff have fixed over 66,000 potholes, compared with 25,000 last year. I am conscious we need to keep on top of things, so please use the Derbyshire County Council's website to report any road defects under the Transport Section as it makes the process more efficient

www.derbyshire.gov.uk

I held a site meeting with Highways Officers in respect of the overall condition of Rowan Drive, so I am pleased they have quickly responded by resurfacing the entire length of road, instead of the previously planned patchwork type repairs.

If there is an issue I can help you with, please contact me on 01332 781092 or

.uk or

kevin.battery@derbyshire.gov.uk

Kilburn Parish Council

Report from the January Parish Council meeting:

Welcome to this, the first of our new edition of the Kilburn News, which is being sponsored by the Parish Council – we do hope you enjoy and feel it keeps you up to date with what is happening in Kilburn.

At the January meeting we were informed that Rowan Drive was being resurfaced following repeated requests. However, the Parish Council have made a complaint about the quality of workmanship when potholes are being filled which necessitated further visits from the County Council.

At the January meeting the Parish Council set a budget for 2019/20 of £85726 with a Precept of £53680.

Members are very concerned about the lack of policing in the area – it was especially concerning when there were no police in attendance at the Remembrance Day Parade and Service. Neither was there any communication that there would be no police in attendance. The Police Commissioner, Hardyal Dhindsa, will attend the Parish Council meeting on Monday 12th March 2019 (7pm in the Village Hall). **YOU ARE WELCOME TO ATTEND TO PUT YOUR CONCERNS TO THE COMMISSIONER.**

Looking ahead – 2019 is an election year for the Parish Council – 2nd May 2019. If you would like more information and are considering standing for election – please get in touch with the Clerk (via the website) or watch the press for further details.

Details of the Parish Council meetings are located on the noticeboards – if you would like Members to discuss any concerns you may have – again, please get in touch via the website. Residents are invited to attend meetings when there is an opportunity for them to speak.

Visit our NEW Website:

www.kilburnparishcouncil.org.uk

Parish Council meetings:

The next two meetings will be held on Monday 11th February & Monday 12th March 2019.

Kilburn Parish Council Continued..

Tis the Season to be Jolly....

As we now come of out the months of festive cheer.

Kilburn Parish Council successfully held the annual Christmas Carol Service on the 7th December at the Kilburn Infant & Nursery School.

Attended by many of the local parishioners and their children, the choir were in full voice to sing and say prayer conducted by St Clements Church Choir and the Reverend Martin Jones.

There was even time for the Big Man in his red suit to appear with support from Amber Valley Rotary club. The Rotary club successfully raised £430 for their campaign, thanks go to everyone who donated throughout the village to this worthy cause.

Amber Valley's local Mayor Cllr Angela Ward was on hand to switch on the lights with Kilburn Parish Council Chairman David Hall.

The new lighting arrangements which have been installed this year were a huge success with people commenting on the new decorations which have been installed.

Many people still comment on the number of lights which are now installed. We had a 16ft tree this year and still enough lights to go around the playground. Maybe next year the tree will have to be even bigger!

Mince Pies, Juice, Tea & Coffee were served in the Scout Hut after the event.

We hope to see you all there again next year.

Did you know?

The Parish Council has a Parish Warden who's here to help keep our street's tidy. If you have any issues, please let the clerk know, so we can ensure they get resolved.

Dates for your diary..

KILBURN CARNIVAL

Saturday 13th July 2019—Kilburn Playing fields

Litter Pick 2019—SATURDAY 6th APRIL 11AM

Meet at Church Street Car Park

Equipment will be provided, we look forward to welcoming you to keep our village tidy.

ARTHUR MEDICAL CENTRE

There has been a huge increase in the demands and workload placed on General Practice nationally and Arthur Medical Centre is also feeling this. A GP can often see up to 6 patients in practice in the time it takes to do a home visit, and an assessment is often more effective when undertaken at the practice than in a patient's home. Please can we remind you that we are limiting home visits to people who are truly in need of them.

Self-care refers to the actions we take to recognise, treat and manage our own health. It's about doing small, everyday things for you to keep healthy and happy.

Why? - Self-care is good for you and for the NHS. There are lots of benefits to self-care. We believe it's:

Quicker - No need to wait for a GP appointment. You can buy the medicines you need over the counter at your local pharmacy or supermarket and have them ready to use at home.

Easier - Many treatments can be bought without a need for a prescription at your local pharmacy or supermarket, often for much less than a prescription charge.

Simple - Advice and information about self-care is widely available online. You can also call into any pharmacy for advice on the best treatment for minor illness.

Considerate - Self-care helps relieve pressures on GP practices. A&E and could potentially save the NHS around £136m every year

How does this affect me?

We wanted to let you know about some changes the practice will be making as a result of new guidance promoting self-care introduced nationally in March this year. The guidance makes recommendations that GPs and other healthcare professionals should no longer routinely prescribe medicines which can be bought over the counter (OTC) for minor and self-limiting conditions. These conditions include hay fever, cough and colds, temperatures/fevers, indigestion and headaches. We will also be reviewing patient's repeat prescriptions in the New Year and will be removing items that can be bought OTC. If this affects you, you will receive a letter explaining the change.

Why does the NHS want to reduce prescribing of these medicines?

The NHS has to make difficult choices about what it spends taxpayers' money on and how much value the taxpayer is getting for that money. By reducing the amount the NHS spends on treating these minor health conditions, the NHS can give priority to appointments and treatments for patients with more serious conditions such as cancer and mental health problems.

Where can I go for advice?

We encourage you to visit the "self-care" section of www.nhsstaywellderbyshire.co.uk which has lots of information and advice on treating minor health problems with self-care.

www.nhsstaywellderbyshire.co.uk/services/self-care

We would also like to remind you of the valuable service your community pharmacist offers. They are trained professionals who are able to talk through your symptoms, offering advice and reassurance on how long these may last and what to do if these continue or get worse.

SURGERY CLOSURES FOR STAFF TRAINING

On Wednesdays *23rd January 13th February and *13th March 2019 the practice will be closed for training and phone lines will switch off at 1.30pm *1.00pm. If urgent medical attention is required at such times please dial 111.

Three Decades of Brainteasing Tradition

Kilburners are a brainy bunch. For over three decades, residents have turned out to flex their mental muscles and exercise the grey matter at the annual Kilburn Village Treasure Hunt. If you haven't been before, take a read below to find out some of what goes on. Maybe you'll be tempted to pick up a clipboard and join in? Oh, and don't forget the broly; it may be summer but it's still Britain...

Early Treasure Hunts

The annual Treasure Hunt is a familiar sight to villagers. Like a cuckoo signalling spring, the sight of families with clipboards puzzling over lampposts is confirmation that summer has started.

Our older readers might remember the first treasure hunts, started by the Kilburn Community Association in the 1980s. The goal back then was to get residents exploring the many footpaths around the village. In fact, older readers might remember routes going some way beyond Kilburn. Not just to neighbouring Horsley but up hill, down dale, and over fields— sometimes 80 or 90 clues stretching all the way to Holbrook. Unsurprisingly, given the length of the walk, some teams gave up and went home for a cuppa (or maybe just the nearest pub?)

The writers of the Treasure Hunt—originally Margaret Woolley and David Harris—tweaked things to keep the event fun. Shorter routes with fewer clues were the order of the day, and the event was scheduled to fit both the school holidays and the Scout and Guide groups. Margaret became the sole writer and mastermind of the Treasure Hunt until she sadly passed away 9 years ago. The mantle was passed to two friends of Margaret—Dee John and Andrea Sparham—who have been the writers ever since.

The Treasure Hunt Today

And so now, each summer, on the last Friday before the summer holidays the treasure hunters assemble. Between 130 and 180 people of all ages form teams from lone wolves up to the whole family (including Great Aunt Sheila). You might see them pointing at a gnome or studying the bus timetables with forensic precision. Participants find answers to a series of riddle-based clues, hidden in gardens and in streets. The team with the most correct answers are the winners, announced later in the Kilburn News. You will hear a few groans as they realise it was the *other* gnome they wanted, after the answers are revealed at the end.

Don't be worried if you think it's not for the smaller children in the family, younger treasure hunters are kept involved with their children's challenge – spotting the well-hidden owls, frogs, and turtles around the route. Of course, all this brainstorming works up both an appetite and a thirst and intrepid explorers eventually find their way back to the Hunters Arms. Landlord and landlady Mark and Paula Showers provide a BBQ as well as sweets and drinks for the children.

The Treasure Hunt isn't just about exploring the village and winning by a half point—it's a charity event, too. Proceeds from the raffle, BBQ, and clues all go toward local causes. Recently, it has supported the Gemma Brown appeal. Gemma, a Kilburn resident and childminder, sadly lost her battle with cancer in 2017. Money raised has been spent on many local causes for children in Kilburn and neighbouring villages. It seems a fitting tribute to Gemma to raise money exploring the village and playground she herself knew so well.

If you're not daunted by a couple of miles walking, a good bit of head scratching, and some interesting exploring, the Treasure Hunt might be for you. Keep an eye out for the signs around the village nearer summer and we'll see you at the Village Hall!
